

Dear Parent/Carer

Are you interested in training to become a primary or secondary school teacher?

We are part of a growing number of schools leading the way for more school-led teacher training. This is really important to us because it means we can choose the very best talent and develop them into teachers. Being able to choose who we train as teachers helps us in delivering the best outcomes for the students in our school and other schools in our Alliance.

We have vacancies now to start training in September 2017 and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We're looking for people who have (or will have) a degree, have a passion for teaching and want to inspire young people to fulfil their potential.

We would love you to come in and have a chat with us about the exciting teacher training opportunities available. For further information please email schooldirect@greatsankey.org to arrange a date and time. We can also provide you with support and guidance on your application form and offer you school experience if you just want a taster of what teaching could be like.

For further information on what becoming a teacher might involve more generally, you can visit www.greatsankey.org or www.education.gov.uk/get-into-teaching.

We look forward to hearing from you.

Yours sincerely

Andy Day
Director of Teaching School
