Happy New Year to all our families.

As you will be aware, I am the Interim Headteacher at Penketh South Primary School.

As most of you know, I have been the Deputy Headteacher here for the past eight years, so I am already deeply invested in the success and well-being of our children, staff, and parents. I am really looking forward to working in my new role alongside the children, staff, families, governors, the wider community and TCAT.
