Primary Art Network (PAN)

In school, we are busy creating artwork for the upcoming PAN exhibition and we are excited to see the finished display come together. PAN is the Primary Arts Network in Warrington and each year, brings together artwork created by children from primaries across the town for an exhibition. This year, our school's work will be displayed from Monday 11th March until Thursday 21st March in the Gateway Centre (across the road from the Golden Gates). This will be open to the public during opening times. We would also like to take the opportunity to thank the PTFA for their donation towards purchasing the materials needed and a new display board.

Parents' Evenings

Tuesday 26th March and Wednesday 27th March

From the **afternoon** of Monday 4th March, you will be able to book a slot for Parents' Evening for your child(ren) in all year groups from EYFS to Year 6. Please ensure that you book a time through Arbor, as this meeting is your chance to talk with the teacher and discuss your child's progress and attainment. It is also a chance to celebrate your child's work and see how hard they work in school.

Thank you for your continued support.
