

Penketh South Primary Curriculum - Languages Progression

German

Children will learn how to have a short conversation, be able to talk about colours, number, animals, days of the week, months of the year, carnival, fruits, body parts and weather. They will learn about traditions and learn about cultural differences and similarities between German and English speaking countries. Children will practise their listening, speaking, reading and writing skills.

Children will expand on their short conversation skills, will be able to answer questions, ask questions. They will learn about School subjects, feelings, eating, market, clothes, seaside, out of this world, everyday life, where I live, hobbies, favourites, newspaper, café culture and restaurants. Children will keep on practising their listening, speaking, reading and writing skills.

KS2

Year 3

Year 4

Whole School Unit

European Day of Languages:
All KS2 classes will be celebrating the European Day of Languages. There will be different celebrations, looking at various cultures and traditions.

French

In French children will be building on their existing German skills and starting to compare differences and similarities between the languages. Children will know how to have a short conversation, be able to talk about colours, number, animals, days of the week, months of the year, carnival, fruits, body parts and weather. They will learn about traditions and learn about cultural differences and similarities between German and English speaking countries. Children will practise their listening, speaking, reading and writing skills.

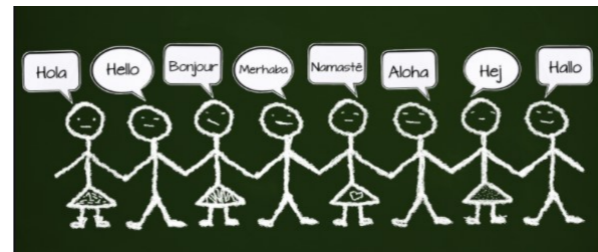

In French children will be further building on their existing German skills and will compare differences and similarities between the languages. Children will expand on their a short conversation, will be able to answer questions, ask questions. They will learn about School subjects, feelings, eating, market, clothes, seaside, out of this world, everyday life, where I live, hobbies, favourites, newspaper, café culture and restaurants. Children will keep on practising their listening, speaking, reading and writing skills.

Year 5

Year 6

Learning a foreign language is a necessary part of being a member of a multi-cultural society and provides an opening to other cultures. A high-quality languages education should foster children's curiosity and deepen their understanding of the world. The teaching should enable children to express their ideas and thoughts in another language and to understand and respond to its speakers, both in speech and in writing. It should also provide opportunities for them to communicate for practical purposes, learn new ways of thinking and read great literature in the original language. Language teaching should provide the foundation for learning further languages, equipping children to study and work in other countries

Language Learning supports the Global Goals for Sustainable Development 4 and 10..
