

We use the local area for environment walks as part of Geography.

Humanities monitoring is carried out by subject leader with feedback given to all staff and sharing of good practice.

Humanities develop enquiry and enthusiasm for children to become independent learners.

KS2 have an Ancient Greek focus every 4 years. With a different focus in each year group

History and Geography taught in all year groups.

Humanities at Penketh South

What does it look like?

Our Autumn theme has a humanities focus in each year group.

Each year group has a trip/visitor in the Autumn term.

Humanities help to develop vocabulary of children with subject specific words.

Fieldwork is a big focus in the Summer term.

Lots of cross curricular activities such as linking with DT to history topics.

History is taught chronologically in KS2 so that children can build on their previous learning.
