

Penketh South Primary School & Nursery

School Prospectus 2024

Your Journey Begins Here

Welcome to Penketh South Primary School and Nursery.

At Penketh South, we have a committed and talented staff team, and lovely children. Our school has one class for each year group from Reception to Year 6 and we also have Nursery provision from the age of 2 years. The school joined The Challenge Academy Trust (TCAT) in 2016. The Trust provides strong support for the school to enable it to develop and grow year on year.

We have a dedicated team of staff who strive to provide the highest quality learning environment where children can achieve, enjoy and excel in all areas of school life. At Penketh South we are a family. Teachers and teaching assistants all work hard to maintain a safe and happy school where children are encouraged to become enthusiastic and

lifelong learners. All children are valued as members of the school community.

As a parent, choosing the right school for your child is one of the most important responsibilities you undertake. We hope our prospectus combined with our website, our newsletters and our Facebook page provides you with enough information about our school to help you make that choice.

We believe that we can only achieve the best for your child by close co-operation between home and school. Without the involvement of parents, our task is that much more difficult and less enjoyable. We hope that parents will take a close interest in what their children are doing in school and will encourage learning and its importance in later life.

“A wonderful setting made up of brilliant teachers who are caring, supportive, nurturing, friendly and make learning lots of fun.”

Parent

Vision

We are proud of our long standing school motto, “Do your best. Be your best” as we help every child to realise that with determined effort and resilience, that they can succeed.

- During the children’s journey through Penketh South, we aim to spark their curiosity and fire their enthusiasm.
- We work with them to take pride in themselves, their achievements and their environment.
- Through being taught to respectfully ask questions, we teach them to show an understanding for equality and diversity and an appreciation for the world around them.
- Providing exceptional opportunities, we aim to develop independent, confident and successful learners who have high aspirations of themselves for the future.
- With encouragement, we support our pupils to use their experiences to help them to develop and grow into learners for life, powerful contributors and responsible citizens in an ever changing world.

Values

Our school values were revised in Autumn of 2024, after discussions with children, teachers, support staff and governors.

We promote the four core values of

Respect
Kindness
Honesty
Resilience

in all we do at Penketh South.

06

“The children lead their own learning, guided and inspired by amazing staff. We love that the little ones are made to feel part of the whole school community too.”

EYFS Parent

EYFS at Penketh South

Here at Penketh South we believe that on any journey, the first steps are often the most important. We offer a warm, welcoming and nurturing environment that facilitates a sense of belonging. Our stimulating and responsive environment sparks curiosity and wonder and encourage imagination. We aim to become a community of learners, where all children, families and staff feel valued, empowered and happy to grow and learn together. Our carefully constructed, bespoke, holistic and inclusive curriculum meets the diverse needs of all learners. The children actively learn through play, skilfully supported and challenged by practitioners who develop confident communicators and inspire imaginations through children’s natural interests.
