

Penketh South Primary School – Special Educational Needs Information Report – 2026-27

'Do your best....Be your best'

1. Kinds of Special Educational Needs that are provided for at Penketh South Primary School.

At Penketh South Primary School we provide support for pupils across the four areas of need, as stated in the 0-25 SEND Code of Practice 2015:

- Communication and Interaction
- Cognition and Learning
- Social, Emotional and Mental Health difficulties
- Sensory and/or Physical needs

Where dedicated provision for an individual child is required, an EHCP (Educational Health Care Plan) will be provided. This follows a formal assessment by the Local Authority and outside agencies, to assess the child's needs and specific criteria are written to create the plan.

Children identified in school as having SEND and have outside agencies supporting provision, are placed on the SEND register. This is reviewed termly.

School Support is for children with identified needs, who are catered for by school provisions.

2. Information about the school's Policies for identification and assessment of pupils with SEN.

Pupils are identified as having SEN and their needs assessed through:

- Information passed on from Nursery, classes and previous schools.
- KS1 results, baseline testing and progress data
- Concerns raised by teaching staff
- Feedback from teaching staff and observations
- Pupil Premium interventions not showing impact
- Referrals or concerns from parents
- Reports from external agencies or professionals such as: paediatrician, speech and language therapist, health visitor, educational psychologist
- School's formative and summative assessment data

3a. Evaluating the effectiveness of the provision made for pupils with SEN

Pupils' learning and progress is tracked continuously through varied assessment for learning strategies. There are also formal assessment points within the year when progress is also analysed. Adaptations to provision are planned in year group pupil progress meetings, which are held with the Headteacher and SENDCo. Where interventions are necessary, individual or group intervention plans are written and delivered by teachers and TAs. A graduated approach cycle of assess, plan, do and review occur at least termly, examining the effectiveness and impact of provision.

The SEN Information Report is posted on our school website.

3b. Arrangements for assessing and reviewing pupils' progress towards outcomes, including opportunities available to work with parents and pupils as part of this assessment and review.

These arrangements include:

- Graduated approach (Assess-Plan-Do-Review)
- Tracking of assessment data for pupil progress
- Individual Intervention plan reviews at least termly
- ECHP reviews, at least annually (For children in EYFS this will be bi-annually)
- Observations of pupils
- Analysing the impact of interventions
- Parent's evenings
- School reports
- Open door policy

3c. The school's approach to teaching pupils with SEN

Provision for SEN pupils includes:

- Quality first teaching, with appropriate differentiation and challenge in place for groups and individuals
- Following a graduated approach (assess, plan, do and review)
- Effective provision management including the deployment of Teaching Assistants (TAs)
- Using a person-centred approach
- Appropriate use of classroom-based interventions
- Availability of quality resources
- Working closely with parents and carers, including regular meetings and updates
